Likes: I like the boat for its roominess and with the 50 hp it goes 32-34 mph. It is easy to handle and it cuts through the waves easily. Good shallow water boat for small rivers and coves. Dislikes: The boat seems to leak while travelling through the water as if water is being forced into it somewhere. I changed the 43# trolling motor to the new Motorguide Verimax 55# bow stick control. Boat Engine Manuals. Few of us are marine technicians, or even plan to perform work on our boat's engine, so when you purchase your boat, one of the first items that is easily misplaced is the engine manual. Boat Manuals with service and repair information. All boat motor manuals contain wiring diagrams, step by step instructions and hundreds of photos to help you maintain your boat.
