Students must attend the first lab. Failure to do so may result in you being dropped from the lab to admit another student who did attend the first lab. 2. Chemistry Laboratory students must adhere to the following policy or you will be asked to leave the lab: long hair pulled back, closed-toe shoes, lab, however, the ruler is the best choice for making a measurement of length. Why is this so? Because the ruler allows us to compare an unknown length with a "known" length. The markings on the ruler are reproductions of standard units of length, or, if you will, known lengths.
