Welcome. This is the official website for the MRG, the Management Reference Guide about the Boeing 737.. The MRG pilot guide is written for professional airline and simulator pilots operating the Boeing 737. This pilot guide provides technical notes and management advise to handle over 300 non-normals. These notes are based on more than 25 years and 20,000 hours experience on Boeing aircraft. Important note: Because of the dangers and complexities involved, most electrical work falls far outside the DIY zone. Even if it's a seemingly easy job, such as installing a light dimmer, you should consider bringing in a pro. Get free quotes from highly rated local electricians.
