

Download Low Pressure Sodium Lamp Installation Guide

Lithonia Lighting's Arm-mounted Security Light is a perfect choice for yards and lots, service roads and building perimeters. Constructed of a rugged, die-cast aluminum head, the light also has an aluminum reflector and open-bottom refractor for ease of maintenance and lamp replacement.

HID TROUBLESHOOTING GUIDE

These suggestions are intended to serve as a guide in determining the possible cause of the problem and to suggest corrective maintenance.

A xenon arc lamp is a highly specialized type of gas discharge lamp, an electric light that produces light by passing electricity through ionized xenon gas at high pressure. It produces a bright white light that closely mimics natural sunlight, with applications in movie projectors in theaters, in searchlights, and for specialized uses in industry and research to simulate sunlight, often for ...

A street light, light pole, lamppost, street lamp, light standard or lamp standard is a raised source of light on the edge of a road or path. When urban electric power distribution became ubiquitous in developed countries in the 20th century, lights for urban streets followed, or sometimes led.. Many lamps have light-sensitive photocells that activate automatically when light is or is not ...
