Description. This Umpire Manual is the definitive resource for professional and amateur umpires alike. It is the official umpire manual and rulebook for Minor League Baseball Umpire Development (formerly PBUC). This 157-page MiLB manual contains the official rule interpretations and clarifications used throughout Minor League Baseball. This manual has been produced with the assistance of Major League Baseball International, Major League Baseball Umpire Development Program, and the State Directors of Umpiring. Without their assistance this manual would not be possible. The reader of this manual should be aware that at the time of production all rules were current and up to date. The manual contains such subjects as mechanics, coverage, positioning, responsibilities, optional coverages, procedures, and terminology used in a two-umpire system by professional umpires. 80 detailed diagrams highlight the proper mechanics, positioning, and coverages for virtually every type of play in a two-umpire system. 2018 Major League Baseball Umpire Roster.
