In an effort to assist teachers to plan and pace instruction, the HISD Curriculum and Instruction department developed the 2018-2019 Pacing Calendars. These calendars mirror the Scope and Sequence timelines in a visual format to support instructional planning. A pacing guide is sometimes referred to as a curriculum map, scope and sequence, standards schedule, instructional calendar, or road map. It is specific to a particular content area and level (e.g., 9th grade Algebra 1) and details when particular content standards should be taught and/or assessed. These pacing guides are to serve as a guide to what you student is learning in the classroom at any point throughout the year. The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math.
