We have a manual. It is very confusing. We are trying to change some of the one touch dialing buttons. We have a new police number and we can't seem to get it programmed in. It keeps telling me that we are overloaded or reached our limit. We don't know how to erase the number that is currently there. My Panasonic KX-T7633 phone has stopped ringing. Only the light flashes for incoming calls. The message panel states " Ringer off." The user manual shows a ringer switch on the back but states that that switch appears only on a different model. I cannot find a ringer switch on my phone. Plantronics Voyager Legend CS. Hear and be heard clearly wherever you take your calls. The headset features a precision tuned triple-mic with enhanced DSP for superior noise cancellation, while advanced WindSmart® technology provides three layers of wind protection.
