Provider approved by the California Board of Registered Nursing, Provider Number CEP 15436, for the specified number of contact hours. Barkley & Associates, Inc. is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. The UK National Institute for Health and Care Excellence (NICE) 2009 guidelines indicate that antidepressants should not be routinely used for the initial treatment of mild depression, because the risk-benefit ratio is poor. The guidelines recommended that antidepressant treatment be considered for: People with a history of moderate or severe depression,
