One of the specific challenges that we face as we search for independence is how to make money as we transition from the careers that have supported us in the past. As I wrote in a previous article, instead of trying to break through the glass ceiling in our 60s, it may be time to build an entirely new house. In other words, it may be time to start our own business. You can improve your focus by tackling the big jobs first and leaving the small stuff till later. Make a list of what tasks are the most important. Property, in the abstract, is what belongs to or with something, whether as an attribute or as a component of said thing. In the context of this article, it is one or more components (rather than attributes), whether physical or incorporeal, of a person's estate; or so belonging to, as in being owned by, a person or jointly a group of people or a legal entity like a corporation or even a society. Here's why you should be stretching EVERY DAY! Ah it's Monday, and the weekend went by so fast! With another start to the work week, there's emails to check, calls to make, and the usual long morning meeting that could've been an email.
