Innumeracy at the sales. One of my favourite times of year is sales time! Of course I love grabbing a great bargain, but the arithmetician within me loves working out the sale prices and trying to find that elusive item that is actually 70% off. The IEA's Trends in International Mathematics and Science Study (TIMSS) is a series of international assessments of the mathematics and science knowledge of students around the world. The participating students come from a diverse set of educational systems (countries or regional jurisdictions of countries) in terms of economic development, geographical location, and population size.
